

Dr. Roger Mason
Myrtle (Monson) Mason

Roger is a retired physician, who had his own clinic and private practise until a crippling arthritis caused him to give up his work as a physician.

Roger, after retiring from his own private practise, worked for 10 years as the Medical Director for Blue Cross - Blue Shield, for the state of Nebraska.

Myrtle, a graduate nurse, is the mother of 1 son and 3 daughters. She has been actively working with Roger in geneology work.

Roger once commented, "We spent so much time on the telephone, seeking out information, that some months our telephone bill looked more like our zip code!"

Roger & Myrtle have retired to where the "winters are a little more tolerable!" They now live in Green Valley, Arizona.
